Ms. Christie True  
Metro Industrial Waste Section  
Senior Industrial Waste Investigator  
130 Nickerson Street Suite #200  
Seattle, WA. 98109-1658

Dear Ms. True:

Enclosed is a copy of the instruction sheet our acid yard employees received. Also included are the lab results pertaining to site #7238 for the month of September.

On September 30th, we cleaned the Metro catch basin and two feet into the sewer line of all debris and sediment. We are currently monitoring the amount of sediment that accrues in a one-month period as you requested.

Sincerely,

ALASKAN COPPER WORKS

Gerald A. Thompson  
Environmental Assistant
